The Keeper of the Keys and Kal invite all children aged 5 to 11 to join them for a further week of exploration, crafts, games, music, drama and Bible discovery time at the Guardians of Ancora Treasure Seekers Holiday Club

Guardians of Ancora Treasure Seekers is a five day holiday club and with the help of The Keeper of the Keys and Kal, the children will be on Quests each day to find the Lost Story Treasures.

Each day of the club, the task of the Guardians (the children at the club) will be to find more lost story-treasure, return it to the Hall of Memory and explore the story that it represents. As the Hall fills up, the Guardians will discover how each story fits together to reveal more about who Jesus is and how they might develop their own relationship with him. The programme is devised from the faith-based app game Guardians of Ancora.

The Quests will be lively and loud adventures!

Places are FREE but numbers are limited, so to be sure of a place, please book now.!

We take the safety of your child very seriously. We'd therefore be very grateful if you could fill in the attached form and return in an envelope directly to Mottram Evangelical Church.

See you there. **The Keeper of the Keys**

Media Use

During the club we will be taking photographs and video of the activities at our holiday club. All images would be taken by appointed people and the vast majority will be used throughout the week of the club via the video screens in church for parents, carers and children to view the activities of the week and at the family services immediately following at Mottram Evangelical Church and Hattersley Community Church.

We would also like to use selected pictures and video for promoting future clubs and for reporting in our church magazine. We have very strict guidelines as to how images can be used as outlined in our Safeguarding Policy and are required to seek permission from a parent or carer for this use. Examples of how we use media can be found on our downloads section of the MEC website www.mottramec.co.uk.

As you are trusting us with your children for the week, we do hope that you would also trust us to use our photographs and videos with the same sensitivity, however we do realise that for some children any image appearing in print or on the web could put them at risk.

To help you decide, for the consent we are requesting we state;

- It will be valid for 1 year from signing and consent will automatically expire after this time.
- We never include names of any person in captions or refer to them in a way in articles in such a way that they could be identified.
- We never include personal address details of any sort on our website or on video.
- Children would only be pictured in group activities, such as playing games, doing arts and crafts, singing or watching drama, and captions would reflect the general nature of the activities (eg.. 'children singing at holiday club').

Personal photo and video taking by parents is not forbidden but images **must not** be published online to public forums like Youtube or Facebook.
